Arrival Time : 11/19/2021 08:00
Onsite Hours : 06:00

The undersigned ASEC Inspector was on site, on the above date, for the purpose of general site monitoring and assessment of contractor and subcontractor activities. The following are observations that were made at this time: On site to see if soil excavated from retention pond is suitable for structural fill on roadways. After testing and rolling it was determined that the soil is unsuitable in its current condition and a new solution is being sought.
