As requested, the site was visited by our AS Engineering and Consulting (ASEC) representative for the purpose of providing quality control inspection and testing services. Visual observation techniques were employed to verify compliance with project drawing/specifications, applicable codes, and materials submittals. The following observations were observed on site this day:

Summary

Upon arrival at the project site, I was informed by Brandon from CW Matthews that ABC Cutting Contractors had not been scheduled, resulting in the cancellation of the work planned for the night.
