Daily Field Report

ASEC Report ID : 54286
Name of the Project : Midblock Crosswalks
Project Location : Alpharetta
Weather : Clear
Departure Time : 07/16/2022 09:15
ASEC Technician Name : Jamal Geathers

ASEC representative arrived on site to retrieve concrete test cylinders that were cast On 7-15-22 and to deliver them for compressive strength testing. Upon arrival our representative found the cylinders had been removed from the site. No further testing could be performed on the concrete samples taken on the day before. The contractor representative was notified.
