Project Location : HJAIA  
Weather : Clear sky  
Departure Time : 08/20/2024 02:00  
ASEC Technician Name : Solomon Cherie

---

As requested, our AS Engineering & Consulting LLC representative was on site to observe site activities. The following were performed this day:

- 1) Moisture tests were taken.
- 2) Air content tests, concrete temperature, slump and unit weight were taken for the first truck sampled.
- 3) One set of beams were cast.

All concrete tests were found to be within job specifications.

**Kenneth Mosman**
