Good Morning,

You've requested BuildWithPulteGroup What's New notifications. This report will be delivered daily via email based on your profile settings, located under My Profile > Settings tab > Construction Schedules.

The purpose of this report is to communicate the previous day's schedule changes.

When Scheduled Task Changes is selected in your profile settings, the report will detail anytime a task's scheduled start date has changed. When Completed or Approved is selected in your profile settings, the report will identify anytime a task has been marked Complete or Pay Approved.

For historical changes, simply reference your previously emailed reports.
