Daily Field Report

ASEC Report ID : 53147
Name of the Project : Asphalt Plant, Dalton
Project Location : Dalton
Weather : 45
Departure Time : 02/09/2022
ASEC Technician Name : Russell Hendrix

The site was visited by the undersigned AS Engineering and Consulting (ASEC) representative for the purpose of providing quality control inspection and testing services. Visual observation techniques were employed to assure compliance with project drawings/specifications, applicable codes, and materials submittals. The following observations were made on site today:

Upon arrival at the C.W. Matthews asphalt plant in Dalton (4:30 AM) all 6 cylinders were loaded and transported to the C.W. Matthews connex/lab at Hartsfield airport. All cylinders were stripped and prepared for storage.

Ramchandra R. Mogulla
